23 December 1948

1. In connection with the proposals contained in paragraph 2 of reference "b", the alternative in sub-paragraph (a) thereof will best meet our needs.

2. However, there will be no objection on the part of this Agency to short annual periods of peace time active duty training of Marine Corps Reserve personnel employed by the Agency in civilian capacities.

3. In the near future we will make proposals to the Navy Department for the inclusion of Navy and Marine Corps Reserve personnel employed as civilians by this Agency into a composite reserve training unit composed of Army, Air Force, Navy and Marine Corps reservists. In such a unit we will endeavor to provide normal opportunities for promotion, active duty, and retirement credits.

4. Your cooperation in this matter, and the action you have already directed as indicated in reference "b" are greatly appreciated.
